

WATER BALLOON FUN FACT

ELEVATE YOUR BRAND'S VISIBILITY WITH A SPLASH...

WHILE MAKING CHILDREN SMILE AT THE SAME TIME! SUPPORT THE REC AND HELP CREATE COMMUNITY AT THIS YEAR'S ANNUAL BACKYARD BASH!

Did you know that in 2019, Newmarket Recreation propelled the idea of National Water Balloon Day into the limelight! It's now officially celebrated worldwide on the 1st Friday of August every year.

To mark this occasion, our Camp Wanna Iguana summer program hosts an epic water balloon showdown, featuring over 10,000 balloons! But that's not all—our vision expanded with the Backyard Bash, an evening event packed with family fun beyond the traditional family water balloon toss.

Now, we're reaching out to our amazing community supporters! Our hope is that your sponsorship will help make the entire event an even bigger splash!
