#### COMPENSATION/CONTRACTS:

- What is your expected level of compensation? \$ \_\_\_\_\_
- Town of Newmarket is committed to compensating artists for their work; however, all compensation for pay is funded through sponsorship monies. Please keep in mind you are playing on a Tuesday night for 2 hours, and our budget is a little tight. Many bands think of it as a paid rehearsal. Please understand that you may be rejected due to your compensation needs.
- Newmarket Rec reserves the right to reject all requests & enter into negotiations with any band for any reason.
- **PLEASE NOTE:** Once your band has been chosen to play on a specific date, an independent contract will need to be signed by the band, a Non Contractual Liability Waiver AND a W9 will be required in order to process payment.

\_\_\_\_ Check here if interested in volunteer (unpaid) music opportunities at other REC events during the year. This is a great chance for more performance time, be known in the area and give back to the local community!
